Who Should Participate?

Doctors, Medical Personnel, Medical Students and all those who are proficient in speaking and writing English are eligible.

Our training programme has been carefully put together by experts with many years' experience in the field of medical terminology training.

The ScribeForce Attachment Scheme includes BSMSA Certificate in Medical Terminology Course. This course is approved by City & Guilds, and BSMSA.

ScribeForce

simply better transcription

ScribeForce is a UK based transcription company that specializes in providing high quality medical transcription to the National Health Service and private healthcare sectors in the United Kingdom. ScribeForce is proud to have an exclusive partnership with the British Society of Medical Secretaries and Administrators (BSMSA) to provide its transcription service and to market and deliver BSMSA online training courses.
